

Information for staff

How do I register for the New GM Primary Care Workforce Bank?

It's easy, you will access registration in a dedicated website. To register your interest, email us at:

gmworkforce.bank@nhs.net

Can I use my phone to book shifts?

Soon, yes. A phone app is in development to improve ease of use. In the meantime, you will be able to book via online. A link will be sent to you once you express your interest via email to:

gmworkforce.bank@nhs.net

What are the benefits to me using the GM Workforce Bank?

By using the GM Workforce Bank you will get to choose where and when you work, meaning you can help to build workforce resilience in GM, and support your local population.

You will have the potential to establish your own relationships with practices local to where you live and work.

You will also have access to mandatory training via the GM Digital Passport.

Who pays my session fees?

Your payment arrangements will be negotiated with and paid directly by the practice.

All payment and working arrangements will be agreed between the practice offering the session.

Information for practices

How do I use the new GM Primary Care Workforce Bank?

We will send you details of how to login. To register your interest email:

gmworkforce.bank@nhs.net

Is there a cost to the new GM Primary Care Workforce Bank for providers?

Practices will pay for the shifts filled as a direct payment to the locum. Use of the Bank carries no additional cost to the practice.

Will the GM Workforce Bank be responsive to issues and urgent shift changes?

Yes. A dedicated relationship administrator will ensure that the Bank is maintained and up to date at all times and manage requests from practices.

What staff range and disciplines are included on the new GM Primary Care Workforce Bank?

We are building our bank of GPs as we speak. In the coming weeks and months we will grow the bank further to include other disciplines.
