

Cardio Diabetes for Primary Care

Date	Time	Venue
Wednesday 26 th October 2023 Tuesday 21 st November 2023 Tuesday 12 th December 2023 Thursday 4 th January 2024 Wednesday 31 st January 2024 Wednesday 28 th February 2024	2pm – 4pm	Remotely via MS Teams
Please note ALL six sessions must be attended		

Target Audience: This course is suitable for Practice Nurses who are either just getting started in Primary Care or are looking to develop expertise in Type 2 Diabetes. Please note: The funding for this course has been ringfenced nationally for specific roles – All Registered Nurses, Nurse Associates, Paramedics and Physiotherapists

Course Aim: This course aims to influence and change your diabetes practice in relation to the diagnosis, assessment and management of Type 2 Diabetes (and its known cardiovascular consequences) by increasing your knowledge and practical skills.

Learning Objectives: Upon successful completion of the course delegates be better able to:

- Define Type 2 Diabetes and discuss how it differs from Pre-Diabetes and Type 1 Diabetes
- Identify individuals' risk of developing T2DM
- Demonstrate knowledge of the available tests for diagnosis of T2DM
- Demonstrate knowledge of the diagnostic criteria for T2DM
- Demonstrate knowledge of the known pathological defects associated with T2DM and link these to specific pharmacotherapies
- Identify persons at risk of micro and macro vascular complications and implement interventions and strategies known to reduce risk
- Demonstrate knowledge of and diagnostic criteria for known common co-morbidities associated with T2DM
- Discuss the care pathway, including therapy optimisation for individuals diagnosed with T2DM in accordance with National and Local Guidelines
- Promote the safe and effective use of anti-diabetes medications
- Support the person to self-care for their T2DM

Trainer: Primary Care Respiratory Training Centre

These sessions will be carried out via a video conferencing platform, delegates will need a computer or smart phone to join, where possible they are encouraged to use a web camera to fully participate. All joining details will be available before the session.

Cost: This course is free of charge for Registered Nurses, Nurse Associates, Paramedics and Physiotherapists who work in practices in NHS Greater Manchester Care

Booking Information: Bookings for this course should be made via e-mail to gmicb-sto.learningdevelopment@nhs.net. Enquires can be made via gmicb-sto.learningdevelopment@nhs.net or 07393 798115.

Terms and Conditions

Please note that it is an employer's responsibility to ensure that individuals employed in any patient facing role (including receptionists) are up to date with the recommended vaccinations for healthcare staff as outlined in the Green Book <https://www.gov.uk/government/publications/immunisation-of-healthcare-and-laboratory-staff-the-green-book-chapter-12>

Please see full Terms and Conditions outlined in the GP Learning & Development Portfolio.

Virtual Sessions

Please note these sessions may be recorded and shared with others working across Health & Social Care. If you attend these sessions, we will assume, you consent to the event being recorded and shared. If you have any concerns around this please email gmicb-sto.learningdevelopment@nhs.net

Non-Attendance/Cancellation

The department is sympathetic to issues which may arise, however, if an individual is unable to attend an event for any reason, the learning and development team should be contacted via e-mail on gmicb-sto.learningdevelopment@nhs.net as soon as possible to cancel or defer the booking. Cancelling may enable another individual to attend instead which will help ensure best use of our resources.

If you have any enquires around this please email gmicb-sto.learningdevelopment@nhs.net
