

**GREATER
MANCHESTER**
TRAINING HUB

Advanced Clinical Practice

We are pleased to announce that the Greater Manchester Training Hub will be running a Primary Care Advance Clinical Practice (ACP) Forum.

This free-to-access forum will be a great way to discuss experiences and share learning, providing a platform for peer group support.

Upcoming Forum Details

10th April 25 12-1:15 pm Primary Care Case Studies

12th June 25 12-1:15 pm Primary Case Dermatology Case Studies

Forum Content and Benefits

- Discussing primary care hot topics
- Case studies
- A platform to discuss shared experiences
- Peer learning, supporting and developing best practice
- Contributes towards your CPD hours

If you are an ACP working within Primary Care within Greater Manchester then register your interest, scan the QR Code to register or [click here](#)
