## Reviewing Continuous Glucose Monitoring Data in Primary Care

**Wednesday 16<sup>th</sup> July 2025, Hotel Football, Manchester**

Learn how to interpret and support people with their FreeStyle Libre 2 system data

This educational NHS meeting has been specially designed for GPs, Practice Nurses and Community Diabetes Teams. With the help of an expert speaker line-up, engaging interactive workshops and stimulating presentations, you will benefit from learning about:

- **Key clinical benefits of FreeStyle Libre 2 System**
- **Processes to support your interpretation**
- **Setting up and utilising LibreView**
- **Maximising your consultations**
- **Functional use of the AGP**
- **How to overcome barriers of interpretation**

Free to attend  
for NHS  
Professionals
