

# Paramedic Upskilling

GREATER  
MANCHESTER  
TRAINING HUB

Greater Manchester

**Are you a paramedic working in primary care looking to develop your skills and gain postgraduate qualifications?**

## Qualifications include:

- A Postgraduate Certification (PgCert) Clinical Education, PgCert Medical Education, PgCert Health Professions Education or enabling those having completed PgCert to advance to Postgraduate Diploma (PgDip), or from PgDip to MSc.
- Other accredited educator development programmes.

## Eligible roles

Upskilling is available to paramedics working within primary care.

## Funding

The course fees will be paid via the funding available from NHS Greater Manchester.
