GPN Foundation and GPN Next Steps

Are you a General Practice Nurse or Nursing Associate looking to develop the fundamental skills you need for practice?

As part of the Primary Care Integrated Development Programme, we're offering two programmes:

- GPN Foundation
- Next Steps Programme

Who is it open to?

These programmes are open to NMC Registered Nurses and Nursing Associates who are newly qualified, or new to general practice and looking to develop their skills and progress their career.

How to sign up?

Scan the QR code now or click **here** to book your place before our next welcome day in October 2025.
