

Primary Care Integrated Development Programme (PC IDP) **Lunch and Learn**

GREATER
MANCHESTER
TRAINING HUB

Are you part of the primary care workforce in Greater Manchester?

Join us virtually for an informal Lunch and Learn session to discover how the Primary Care Integrated Development Programme (PC IDP) can support your professional development.

We'll introduce you to the PC IDP and explore:

- What the programme is and how it works
- The wide range of opportunities available to you
- How it can benefit your role, team, and career development

Tuesday 19 August

12.30pm to 1.15pm

MS Teams

**Book now by scanning
the QR Code or click here.**

Who is it for?

The Primary Care Integrated Development Programme (PC IDP) is open to **everyone working in primary care across Greater Manchester** whether you're clinical or non-clinical, new to your role or an experienced team member.

Bring your questions, grab your lunch, and join us to discover how the PC IDP can support you and your team.
