

# RAPID ACCESS CLINIC: DIAGNOSTICS FOR ASTHMA

## DO YOU SUSPECT ASTHMA?

**SAME DAY** referral to the **RAPID ACCESS ASTHMA RESEARCH CLINIC** at Wythenshawe

**DO THEY HAVE**  
**wheeze/cough/SOB/tight chest ?**

**No additional co-existing respiratory**  
disease (eg COPD/ILD/Bronchiectasis) ?

**ARE THEY**  
Aged between 5yrs and 69yrs old?

≤10 pack year history (current smokers are eligible)  
Not currently on a regular ICS inhaler

Refer in **3** easy steps

- 1** Provide your patient the information leaflet  
(print hard copy from [www.radica.org.uk](http://www.radica.org.uk))
- 2** Contact research team:  
Tel: 07790 911 507 / 0161 291 3553  
Email: [radica@mft.nhs.uk](mailto:radica@mft.nhs.uk)  
Fax: 0161 291 3513
- 3** Instruct patient to wait for a phone call from the team  
(We aim to contact on the same day, however allow up to 72hrs)
