1. Purpose

To provide a process for registering a new non-medical prescriber (e.g. Nurse, Pharmacist, Physiotherapist, Podiatrist) to the practice and assigning their details to the BSA Prescription Pricing Division (PPD). This then identifies the prescriber code for all prescriptions dispensed and allows audit via the ePACT prescribing data system.

2. Procedure

When registering as a new NMP contact the Stockport CCG NMP lead, Mike Walker via the email address mike.walker3@nhs.net

You will then be sent the NHS BSA form and the NMP declaration form to complete, you must also add the areas you expect to prescribe in and a list of P medicines you will prescribe.

These forms must then be completed and returned to the NMP lead, the information will be checked and sent to the NHS BSA for registration.

Below is the link to the NHSBSA website containing the forms and further information.

Please ensure that prescribers are de-registered from the practice system when they resign from the practice. This should be carried out by the practice manager or nominated staff member.
